The floor plan shows a central staircase and a central corridor. Rooms include a large hall (80-170), a kitchen (80-170), a dining area (80-170), a living area (80-170), a bathroom (80-170), and a bedroom (80-170). The plan is annotated with dimensions and room numbers.

The diagram shows a building layout. A central horizontal corridor connects two main sections. On the left, there are four rooms, each labeled 'Cafeteria', arranged in two rows of two. On the right, there is a larger room also labeled 'Cafeteria' which contains a table and chairs, suggesting a dining area. The entire layout is enclosed within a thick grey border representing the building walls.
